

With You All The Way

When you own a horse with the support of Tony and his team, you can be confident that you'll be kept informed every step of the way - on the internet with your personal log in, regular updates and newsletters and one-on-one visits or phone calls with Tony or any member of staff.

It's no secret that Tony, Gabriel and the team at Greendale Stables have created a unique and wonderful way to bring people and the exciting world of racing together. Here's a word from some of the people who have enjoyed a happy and rewarding association with Tony Noonan Racing.

"Tony is a rarity amongst his industry peers in that he is personable, a good and honest communicator, who handles the vagaries of his trade with a smile and patience with his many and varied owners of all persuasions and personality types."

Noel and Lorraine Ferguson

"My partner Barry and I have had horses with Tony Noonan Racing for over 10 years. In this time we have met many people who I am sure will remain lifelong friends."

Tony is a little different to other trainers, as he puts a lot of emphasis on the "Social" side of owning or being involved in racing horses with Greendale Stables. I would say that Tony is one of the most accessible trainers Barry and I have had anything to do with. We get so much enjoyment from our association with Greendale and would recommend anyone else to jump aboard and enjoy the ride."

Focus on Fun

The old adage "all work and no play" is especially valid at Tony Noonan Racing. And according to Tony the best thing is that racing combines both, in one of the most rewarding and exciting industries in the world.

Throughout the year the hard work and effort of everyone involved is celebrated with a host of social events organised by Tony, his wife Gabriel and the Greendale team.

Dress up for the fabulous ball at Crown Casino where every year Tony and Gabriel host a magnificent evening of elegance, dancing and fun, where owners, strappers, stable hands, jockeys, family and friends get together and let their hair down!

Chill out and relax at The Greendale Stables' famous "After Derby Barby". A fun filled day at Mornington Races kicks off with a thoroughbred parade then the real fun begins back at Greendale where you get to barby and party well into the night!

For the more adventurous take advantage of the fabulous racing trips to Darwin, New Zealand, Hong Kong and England. Or for the more sedate, Tony and Gabriel often catch up with fellow friends and horse owners over dinner, the perfect chance to relax and chat!

So you can see it's all about fun, family and friends at Greendale Stables.

Accessible Ownership

Thanks to the various ownership options you can choose the method that best suits you and your budget.

Sole Ownership

Imagine making an acceptance speech when your horse is victorious and taking home the trophy. When you're a sole owner you get all the glory, all the prize money (less trainer and jockey shares) and control over key decisions. However you do bear all the costs.

Joint Ownership and Partnerships

Sharing ownership is a great way to race a horse. Not only do you have the opportunity to share the fun and excitement with up to 10 other friends or family, you also divide the costs. As a joint registered owner you are named in the racebook and enjoy race day ownership privileges including access to members' enclosure and mounting yard.

Syndicates

Syndication is the perfect way to enter the world of racing with the option to be financially and/or personally involved to the level you choose. Whether you see your horse train and race on a regular basis or follow its progress from afar, syndication gives you all the benefits and all the choice. Up to twenty people can jointly race a horse if they register as a syndicate under the Rules of Racing (a company can also be registered as a syndicate). Only the syndicate manager's name appears in the racebook along with the syndicate name.
